

Promulgation of Young Researchers Forum Awards: Organic Chemistry 2020

Njomza Ajvazi

PhD in Nanosciences and Nanotechnology was conferred by Jožef Stefan International Postgraduate School, Ljubljana, Sloveni. E-mail: njomza.ajvazi@rezonanca-rks.com

Allied Academies with 20 years of excellence in organizing scientific [conferences](#)/symposiums/meetings has stood up to acknowledge the contribution of [young researchers](#)/scientists in the field of Chemistry with a token of appreciation in the form of "[Young Researchers Forum Award](#)"

With triumph of "3rd International Conference on Organic Chemistry", Allied Academies takes pride and honour to announce "[4th International Conference on Organic Chemistry](#)", which is going to be held on November 16-17, 2020 in Singapore city, Singapore with a radical theme "Exploring the New Dimensions and Advancements in Organic Chemistry"

[Organic Chemistry 2020](#) Young Researcher Forum Awards:

Stepping ahead with an idea of honouring the talented Young Researchers, Scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme, Organic Chemistry 2020 promulgated [Young Researcher Form Award](#) to encourage the new era with all efforts to promote professional development, opening new channels for budding academicians by providing platform to share with world-class experts with eminent experiences in the field of Chemistry.

Nominations for [Young Researcher's](#) Forum Award: Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only early 25 presentations acceptable at the [Organic Chemistry 2020](#) under Young Researcher Forum.

Benefits:

- Bestow – CPD certified Young Scientist Award with certification
- World-class platform to share Oral talks.
- Opportunity to build professional network with eminent researchers in the field
- Latest research updates from Fellow scientists
- Abstract publication with unique DOI number in International Journal
- Opportunity to meet business realm.
- Provides strong platform to promote across the globe in the field
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Organic Chemistry 2020](#) with pronounced pride inviting all eminent young researchers of various Universities, societies and associations from all corners of the sphere in the field of [Chemistry](#) to speak on their research and experience
